

BoardPulse ASSESSMENT

Comprehensive insights into your nonprofit Board's effectiveness.

AT A GLANCE

What's Included

- Online Board effectiveness survey, approximately 20 minutes for each Board member to complete.
- Assessment and analysis of five focus areas: Operations, Board Development & Composition, Change Management, Culture, and Leadership.
- Key findings, including areas for growth
- Review of findings with governance consultant

Benefits

- Accessible and convenient for Board members
- Confidential for all participants
- Unbiased evaluation
- Practical Board discussion framework for the Board Chair and CEO
- Essential building block for a roadmap to Board excellence

"The assessment was incredibly thorough and provided us with a comprehensive understanding of our strengths and weaknesses.

It gave us the confidence we needed to address critical governance issues head-on."

OBJECTIVE

Gain valuable insights that can help your Board prioritize focus areas to maximize Board effectiveness. Our detailed, customized report highlights key considerations for improvement and strengths. A dedicated governance consultant will then guide your Board Chair and CEO through a focused 20-minute Zoom discussion to review the findings and recommend actionable steps for discussion with your full Board.

FOCUS

Our comprehensive BoardPulse provides a deep dive into five key areas:

- **Operations** - Are discussions leading to effective decisions? Does the "how" support the "what"?
- **Board Development & Composition** - Are the right voices present and actively engaged to achieve the best outcomes for stakeholders?
- **Change Management** - To what extent is the organization actively preparing for and equipped to thrive in its desired future state?
- **Culture** - Does the Board culture set appropriate expectations for how the organization can and should operate for maximum effectiveness?
- **Leadership** - How effectively does leadership drive governance and its own initiatives to successfully deliver on strategy?
